Re: Prequalification Letter for Mountain Alarm Corporation

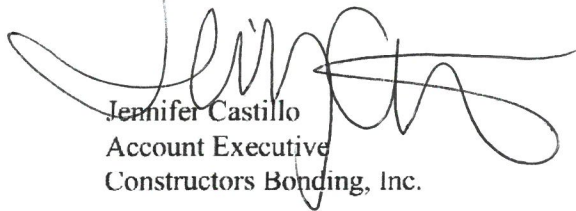

TO WHOM IT MAY CONCERN:

Our client, Mountain Alarm Corporation has requested this prequalification letter be sent to you as an indication of their bond ability.

State National Insurance Company, Inc. has established a Surety relationship to support Mountain Alarm Corporation on single projects in the amount of \$2,000,000 and an aggregate work program of \$5,000,000. State National Insurance Company, Inc. has a current AM Best Rating of A Level VII. These support levels are not limits but rather guidelines the Surety has established in order to handle the day-to-day bond needs of our client. As is customary, final approval of any bonds is predicated on the most current financial and job information available to the underwriter at the time. You understand any arrangement for bonds on behalf of Mountain Alarm Corporation is a matter between contractor, surety and agency, and we assume no liability to third parties or to you, if for any reason we do not execute said bonds.

If you would like to discuss specifics regarding Mountain Alarm Corporation's capacity of bond projects, I would encourage you to contact Joe Clarken or me directly at 602-212-9160.

Sincerely,

Jennifer Castillo
