PAUL HARDISON, BUILDING OFFICIAL

**City of Lakewood
Department of Public Works**

Although not required to obtain or renew your contractor registration, CETC 150 is strongly recommended for all construction personnel. This course assists contractors and developers in complying with state and federal environmental regulations and permit requirements.
Lakewood strongly recommends attendance by all construction site personnel.

**Rocky Mountain Education Center
CETC 150
“Stormwater Management and Erosion Control”**

Understand the minimum requirements and practices of erosion and sediment control during construction activities. This course will cover legal requirements, the process of erosion and sedimentation, erosion control, best management practices (BMP's) selection and application, and structural and non-structural installation guidelines. Education: .9 CEU's

Rocky Mountain Education Center
