Notice

Business and sales tax license holders are responsible for complying with all laws of the Town of Castle Rock, including all zoning requirements. The issuance of a business and sales tax license by the Town does not constitute approval or authorization with respect to any Town zoning requirements, or other Town codes or regulations. Any product, service or activity offered or undertaken under this license must be in compliance with applicable state and federal law and this license does not authorize or permit any product, service or activity that is prohibited under state or federal law. Under CRMC this license may be revoked in the event that illegal sales, services or activities transpire on the licensed premises.
